❖ November and December are Prefecture-wide Intensive Delinquent Tax Collection Months ❖

The city is working to collect delinquent taxes to ensure fairness for the many taxpayers who make their payments promptly. We ask for your understanding and cooperation regarding the payment of city taxes, which are essential for public services to residents.

◆If you fail to pay city taxes

Failure to pay city taxes will result in a late payment penalty of 8.7% per annum. If you continue to ignore payment requests and fail to make payments or seek consultation after receiving a demand notice, the delinquent city taxes will be collected by legal enforcement (the process shown in the diagram on the right will be followed).

◆To Resolve Delinquent Payments

In recent years, the city has increasingly investigated employers regarding salary payment status and collected delinquent taxes through wage garnishment. Additionally, the city may conduct "asset searches" to investigate assets at delinquent taxpayers' residences without obtaining consent.

Asset investigations, seizures, and other delinquency enforcement actions are conducted in accordance with laws and regulations and may be carried out without prior notice to the delinquent party.

Procedure for Collection of Delinquent Taxes under the Local Tax Act, etc.

Demand Letter Sent

A demand letter will be sent within 20 days after the payment due date has passed. A demand fee of 50 yen per letter will be added.

Asset Investigation

We conduct inquiries, inspections, and searches with financial institutions, employers, life insurance companies, business partners, and other relevant parties.

Asset Seizure

We will seize assets identified through asset investigation (including deposits and saving, wages, life insurance, accounts receivable, real estate, automobiles, movable property, etc.).

Liquidation and Distribution

Seized property is liquidated (converted to cash) through collection or public auction. Proceeds from liquidation are applied to outstanding debts such as city taxes, delinquency charges, etc.

<When unable to pay due to unavoidable circumstances>

If you are unable to pay by the due date due to unavoidable reasons such as illness, disaster, unemployment, business closure, or financial hardship, we will work with you to develop a payment plan based on your circumstances. We also offer evening consultation hours, so please contact us as soon as possible.
